Achashveroch's Land (Boogie Wonderland)

Dance!...Achashverosh's land, (hah, hah) dance!... Achashverosh's land!

Midnight creeps so slowly into the heart of a king who wants more than he can get...

Daylight deals a bad hand to a queen who wees her husband as a threat.

(Vashti) He tells me to strip and dance for his friends, but I say "baby, no, no, it won't work!"

I say my prayers thought he don't care, "just dance and shake it" ... no, no!....

Dance!...Achashverosh's land, (hah, hah) dance!... Achashverosh's land!

(King) You'll dance through the night, you'll do it right, 'cuz this is Achashverosh's land! I'll get romance when you start to dance in Achashverosh's land!

(V) You'll have no chance, I will not dance in Achashverosh's land!
I...will...never just be your pawn, if you make me dance I'll be gone!

(K) The musicians are playing, so I'll just keep saying that I'm the King over this land... Achashverosh's land!

Dance!...Achashverosh's land, (hah, hah) dance!... Achashverosh's land!

(V) Not a chance!... Dance!

After the Love is Gone

(both) For a while, (King) whatever I'd ask she would do...we were young I assumed that for us, she'd abide. I thought she'd always do what I wanted to.

(both) For a while, (Vashti) I paid no mind to demands, I thought love would last, everything was alright, 'til he invited me to begin the dance.

Something happened along the way (K) What he wants me to do is bad...
Something happened along the way, (V) And now I'm just so very mad...

(both) And oh, after the love is gone, (K) How could she lead me on? (V) There's no way I'll stay around. (both) Oh, after the love is gone, (V) what he asked me to do is wrong, (K) love is lost and can't be found.

(K) For a while, I thought we were having a ball, you would do as I'd say love was strong, for so long, I never knew naked dancing was wrong, oh Vashti!

(V) Wasn't right, I tried to save what we had, you were so immature and such a fool, and I knew, this affair would end with me leaving you.

Something happened along the way (V) My king has gone completely mad..
Something happened along the way, (K) *is naked dancing really all that bad?*

Something happened along the way (V) I fear it's not a passing fad!

(both) And oh, after the love is gone, (K) How could you lead me on? (V) There's no way I'll stay around. (both) Oh, after the love is gone, (V) what he asked me to do is wrong, (K) love is lost and can't be found.

Oh, oh, oh, oh, oh, oh...after the love is gone, how did it go so wrong, the smiles have become frowns.

Oh, oh, oh...after the love is gone, what used to be right is wrong, (K) someone else can wear the crown.... Oh, oh, oh...

Reasons

(Haman) Mmmmmm....oh.....ah....

Now, I'm hating the Jew man, can't you see? My temperature's rising, I want him to bleed! He's in the wrong place not to kneel.

(Mordechai) Whoa and I, longing for freedom for all of my tribe, not going to bow down, no way I'll abide. We've always been peaceful...he's killing our vibe!

(both) Reasons, the reasons that are clear, the reasons that we know our feelings won't disappear... ooh!

(H) And, after the long game has been played, and my King he wants a parade, but all his reasons are insane

(Yai, dai, dai, dai....) (Ohh.....)

(M) Because all my reasons why (H - All my reasons for my pride)
All my reasons won't subside (He better not try to hide!)
I know that I am right (He must step aside....!)

(H) I'm longing to make you pay the price, I'm going to hate you with all my might...yeah....ooh...yeah...

(b) Reasons, the reasons that are clear, the reasons that we know our feelings won't disappear... ooh!

(H) Ooh after the long game has been played, and my King he wants a parade, but all his reasons are insane...

(M) And, as I pray as I rise, no longer feeling victimized, by his reasons, his reasons, his reasons I defied!

(M) Because all my reasons why (H - All my reasons for my pride)
All my reasons won't subside (He better not try to hide!)
I know that I am right (He must step aside....!)

(improvised)

Let's Groove

Down, Haman is going down, down, down... Down, Haman is going down, down, down...

Down, Haman is going down, down, down... Down, Haman is going down, down, down...

Let's prove tonight, we have the right to life!

I'm gonna make this right...

We've got the right to fight!

I'm a Jew, you must approve (that's right, all right!). So Haman, you must remove (stand up, it's our right!)

Gotta tell you, I am a Jew, my love (all right!). Haman tricked you to kill all the Jews (he wants us, out of sight!).

To prove your love, you must take this intervention, and lose Haman to save all my brethren!

I'm a Jew, you must approve (that's right, all right!). This restriction, you must remove (stand up, it's our right!).

My dear queen, what can I do my love, this is such a plight. Gotta let you know girl I want you to live. I must, I must make this right!

Just tell the courtiers to say, the Jews can defend. Then we'll know it's okay to take up arms, if you amend now!

As the King I declare this move, alright (alright!) This amendment I will approve, so stand up! (that's right! Alright!).

Thank you King for this countermove (Alright! Alright!) This amendment our lives it improves (That's right, alright!).

You will find peace of mind, knowing that you have saved my life. Come and see you and me, this paper you must sign! I'll be there after all if you want me to live, when we can boogie on down!...boogie on down! (*Down, Haman is going down, down, down... Down, Haman is going down, down,*

down... Down, Haman is going down, down, down... Down, Haman is going down, down, down...)

Let's prove tonight, we have the right to life, (baby get it right), we've got the right to fight!

Down, Haman is going down, down, down... Down, Haman is going down, down, down...

Down, Haman is going down, down, down... Down, Haman is going down, down, down...

Do you remember? (September)

Do you remember, the night of the 14th of Adar, Esther changed the King's mind like a rockstar, while chasing Haman away...

Our hearts were ringing, in the key that our souls were singing, as we danced in the night, remember, how Jews fought for the right to stay.....
hey, hey, hey!

Ba-dee-ya, say do you remember, ba-dee-ya, we were our own defenders,
ba-dee-ya, victory was ours that day!...

Ba-du-da, ba-du-da, ba-du-da, ba-du-da...Ba-du-da, ba-du-da, ba-du-da,
ba-du-da...Ba-du-da,
ba-du-da, ba-du-da...

We were victorious, and the strength that we share is glorious! Humiliation made Haman so furious, he found out Jews are here to stay!

We saw Esther treat Haman just like a court jester! Now she is our beloved ancestor! Hamantaschen we share today...hey, hey, hey!

Ba-dee-ya, say do you remember, ba-dee-ya, we were our own defenders,
ba-dee-ya, victory was ours that day!...

Ba-dee-ya, we want you to remember, ba-dee-ya, we were our own
defenders, ba-dee-ya, victory was ours that day!...

Ba-dee-ya, say do you remember, ba-dee-ya, we were our own defenders,
ba-dee-ya, victory was ours that day!...

Ba-dee-ya, we want you to remember, ba-dee-ya, we were our own
defenders, ba-dee-ya, victory was ours that day!.....
